Information for Poster Presenters

Dear IME 2017 poster presenters,

we would like to inform you that the local organizing team will take care of printing the posters on your behalf. In order to take advantage of this free service you will have to UPLOAD us your ready-to-print poster. Please note the following:

Preferred specifications:

- file format: PDF
- size: Din A0 (841mm x 1189mm)
- portrait layout

You can find various LaTeX templates if you google "poster template LaTeX".

See, e.g., <https://www.overleaf.com/gallery/tagged/poster>,

<https://www.latextemplates.com/cat/conference-posters>

File name (important):

- **IME2017-poster__FAMILYNAME_First_Middle_Names__version-id.pdf**

As version-id we suggest v1 for first version, v2 for 2nd version, and so on. You can also use the date in the form of 20170626a, 20170626b, 20170627a, ...

Upload link:

Deadline for almost final version:

- Monday, June 26, 2017

We ask to upload an almost final version, so we can test printing the file (as small version) - in case anything does not work we can still tell you and there is time to fix problems.

Final deadline:

- Wednesday, June 28, 2017

We will not be able to print posters submitted after this date – in this case it is your responsibility to bring a printed poster with you to the conference location.

The posters will be presented during the Welcome Reception on Monday, July 3, 2017, and on Tuesday, July 4, 2017, in front of the main lecture hall of the IME 2017 Conference:

A preliminary list of poster presenters and the abstracts can be found on the IME 2017 webpage:

<https://fam.tuwien.ac.at/ime2017/speakers.php#posters> and [/program.php#posters](https://fam.tuwien.ac.at/ime2017/program.php#posters)

In case of any problem (your name/poster is missing, typo/mistake at abstract,...) please contact us as as soon as possible.

With best regards,

Sandra
